VOLUME LX. UKIAH, MENDOCINO CO., CAL., SATURDAY, NOV. 24, 1928 NUMBER 9

INCENDIARY AT WILLITS

Another High School Building Destroyed

Fire Thought to Have Been Set by Same Parties that Burned Ukiah High School Last Week

WILLITS, Nov. 23.—The Willits high school building and its contents were destroyed by fire early this morning, just a week, almost to the exact hour after the Ukiah high school had gone up in flames. The fire was discovered by neighbors about 2:30 and it had already gained such headway that the flames were bursting from every window, and by the time the firemen arrived it was a raging inferno and all of their efforts were devoted to the saving of adjoining property.

It is presumed that the fire was of incendiary origin and was set by the same firebug that burned the Ukiah high school last week. Some strange young men are reported as driving an old Ford about town shortly before the fire started.

The building was erected in 1906 and had become obsolete and out of date. The property was valued at $32,000 and was insured for $14,000.00.

The music and manual training buildings were saved and in addition to this school has a combination auditorium and gymnasium several blocks distant from the main school.

The trustees have decided to erect a temporary one-story structure on the old site and this will be used until the new building is ready.

Last June the trustees called a special bond election but they were defeated by 18 votes. Another bond election will now be called and it is proposed to vote on site as well as the bonds. The two sites most spoken of are the old racetrack of 40 acres, just north of town, and the Bachtel grove, just south of the Howard Memorial hospital and on the brow of a hill with a commanding view of the entire valley.

I. O. O. F. Will Burn Mortgage on Dec. 24

Ukiah Lodge No. 174, I. O. O. F., will burn their mortgage with an elaborate ceremony at their regular meeting on December 4. The festivities will start with a turkey banquet at 6:30. Following the banquet they will hold their regular meeting after which Mack Howard, their oldest living member, will give a history of the lodge. This will be followed with cards and a smoker.

Everett Cox Weds Miss Nell Conrad

Application for a marriage license was filed at Santa Rosa Tuesday by Everett Cox and Miss Nell Conrad of this city. The couple are to be married at Santa Rosa this morning. They will be accompanied by the groom's mother, Mrs. Lulu Holtze, and after attending the "big game" at Berkeley today Mr. and Mrs. Cox will spend a few days in the bay region.

On their return to Ukiah the couple will make their home on the ranch of the groom south of this city, which has been in the Cox family for half a century. Mrs. Holtze, who is a member of the pioneer Howard family, will move to the Howard ranch, which has been in the possesion of that family for 70 years.

News of the wedding will be received with great pleasure by the host of friends of both bride and groom in Ukiah and Mr. and Mrs. Cox will be the recipients of heartiest good wishes.

The groom has grown to manhood here and is one of the leading ranchers of the valley. His bride has been teaching in the Ukiah high school for a number of years and has endeared herself to a multitude of friends by all of whom she is held in the highest regard and esteem.

Lake County Rancher Suffers Loss of Leg

Wm. Moshier met with a serious accident while working with a tractor near Upper Lake Wednesday morning. Something went wrong and he got off to locate the trouble and in some unknown manner threw the tractor in reverse and it ran over his right leg and pinioned him to the ground. It was several hours before his plight was discovered and by this time he was very weak on account of the loss of blood and nervous shock. He was first taken to the home of Dr. Coffee at Upper Lake where first aid was rendered, after which Dr. and Mrs. Coffee placed him in an auto and brought him to the General hospital in this city. That night Dr. S. L. Rea, assisted by Dr. Coffee, amputated the leg above the knee and at last reports Mr. Moshier was doing as well as could be expected.

TEACHERS' EX DECEMBER 31

County Superintendent of Schools Patton informs us that the teachers' examination has been set for Monday, December 31, at the courthouse in Ukiah. All who intend taking the examination may obtain further information by writing to Mr. Patton.

Big Operations Plan of Rockport Concern

Railroad Now Building Will Tap Redwood Highway in Vicinity of Leggett Valley, Rumor

ROCKPORT, Nov. 19.—The Southern Redwood Company is the only large corporation in the redwood section which is not a member of the Redwood Association and which is not affected by the agreement to curtail operations. Most of the mills belonging to the association are now running on a five days' basis and still others have shut down indefinitely.

The Southern Redwood Company ship their entire product east and local conditions do not affect them. Instead of curtailing operations they are now planning doubling their output within the next few months. As soon as they are sure of the logs they will put on two shifts and will have to almost double their present force. About 500 men are now employed so it can be very readily seen that Rockport will shortly become one of the most important communities on the coast.

Among other improvements is the building of 30 more cabins which have just been completed.

Another railroad is now in course of construction which will tap a splendid stand of virgin redwood and which will eventually be extended as far east as the Redwood highway. The new railroad will go up Cottoneva creek at the head of which a tunnel will be bored and this will take the railroad over to the Hollowtree valley where branches will be built both north and south and will eventually take care of most of the redwood timber from Jackson valley to the Humboldt county line.

State Street Lights to Come Up Dec. 4th

City Council to Conduct Hearing in Connection with Proposal to Form District

At the last meeting of the city council, a representative of the property owners on State street appeared and asked that the council order street lighting to be done on the district assessment plan, by which means street lights would be erected at the expense of the abutting property owners. A large percentage of the owners have asked for the formation of an assessment district, and the matter will be heard by the council on Tuesday, December 4. There exists a difference of opinion as to the kind of lights to be erected, and that matter will also be submitted to the council at the December 4th meeting.

The lighting of State street would be a decided improvement, and it is the desire of the city council to order such lighting fixtures as the property owners prefer, and therefore all those interested should appear before the council when the matter is heard.

There are a number of owners who are opposed to the improvement, but it is hoped that they will join in the petition. If they do not do so, it will be still within the province of the council to order the work.

TRAFFIC OFFICE MOVED

The motor traffic office has been moved from the Dispatch building to the new courthouse. The hours will be the same as before, from 10 to 12 every week day.

Montgomery Ward to Broadcast Big Game

Montgomery Ward will keep open house at their department store this afternoon and everybody living in this vicinity is cordially invited. The big event will be the broadcasting of the big football game between Stanford and U. C. Two loud speakers will be in service and every play during the game will be announced as soon as made. Arrangements have also been made to have a girl at the telephone who will give the results to any person who rings them up.

WILLITS MAN FINED $400 FOR POSSESSION

Bill McDaniels was arrested at Laytonville, Tuesday night, by deputies from the sheriff's office on a charge of possession of intoxicating liquor. He was brought to Ukiah and the following day appeared before Judge Hoffman, plead guilty, and was fined $400.

$150,000 Bond Issue for New High School

Trustees to Call Election Shortly After First of Year. Temporary Building Going Up Fast

The probabilities are that Ukiah will have a modern high school building and junior college by the end of next year on the site of the old school house that was destroyed by fire last week. Plans for this building have been prepared for some time and two units of the project have already been completed—the gymnasium and science building.

The trustees are now planning to call a bond election for early next year at which the voters will probably be asked to authorize a $150,0000.00 bond issue.

In order to meet the emergency caused by the fire the trustees immediately asked Contractor H. L. Bergstrom to prepare plans and specifications for an eight-room temporary structure. A citizens' meeting was then held at the city hall on Saturday night and the plans were adopted and bids were called for. Three bids were received, but that of Chas. M. Swanfelt being the lowest the contract was awarded to him for $3,912. Work on the new structure started last Monday. Mr. Swanfelt expects to have it completed in eight days but he has a twelve-day limit. He will receive $50 a day bonus for every day under the twelve-day limit.

The new structure is being erected at the northeast corner of the school grounds and will be 48x120 feet, with a hallway down the center. All of the carpenters that can be used to advantage are being employed and it looks very much as if Mr. Swanfelt will receive a handsome bonus.

Local Grape Growers Hear Conn's Message

Secretary of Association Gives Interesting Talk at Meeting Last Thursday Night

The second annual meeting of the local branch of the California Vineyardists Association was held at the city hall Thursday night. There was a large attendance and it is hoped that much good will result.

The principal speaker was D. D. Conn, managing director, who has his headquarters in San Francisco. He told of the deplorable condition the grape industry was now in and said the vineyardists' only salvation was an iron-clad association which would have absolute control of the marketing and sale of juice grapes.

Like all other commodities juice grapes have their competitors and in this case it is the malt industry, which is very highly organized, and also what is known as "corn sugar." The latter is used for what made Peoria famous.

A German chemist, living in the east, is said to have discovered a method of killing the fermenting germ in grape juice, and if this turns out to be as successful as it is said to be it will prove to be the salvation of the juice grape growers. Grape juice thus treated can be kept for an indefinite period in barrels, kegs or other containers, and can be shipped and sold legally in any portion of the country. The freight rates for juice would be but a fraction of what it now costs to ship the whole grapes and the speaker said that the market would be almost unlimited.

Granges Hold Joint Meeting Fri. Night

On Friday night of last week the Potter valley and Ukiah grange entertained the Redwood valley grange. There were about 150 in attendance and the first and second degrees were conferred upon seven candidates.

A splendid program was rendered, the leading feature of which was a radio broadcasting stunt put on by the Potter valley Barnyard Funsters.

A resolution was adopted asking the railroad company to erect a danger signal at Talmage road crossing. At this point the view of the approaching trains is obscured by the packing house and several accidents have occurred.

Miss Fanny Kelly and mother returned to their home here the latter part of last week. Mrs. Kelly, who was hurt in an automobile accident during their absence, has almost fully recovered.

FATAL SHOOTING AFFRAY

L. C. Holland Dies in Ukiah Thursday

L. C. Holland, father of Elbert Holland of this city, passed away Thursday. Funeral services will be held this afternoon at 2:00 o'clock at the Cleland Funeral Home.

Lawrence Christopher Holland was born in South Carolina, January 11, 1846 and was aged 82 years, 10 months and 11 days at the time of his death. His boyhood was spent in Georgia from where he enlisted in the Confederate army, under General Bragg. In 1866 he was married to Miss Adeline Maddux in Alabama. The Holland-Maddux families soon moved to Texas where the only child was born. In 1887 the Holland family came to California, locating in Lakeport, from where they moved to the Sherwood valley section in 1889. This was his home until about six years ago, when he came to live in Ukiah. The wife preceded him to the grave 25 years ago this month. He leaves besides his son, Elbert, a grandson, Elston.

GRAND JURY TO MEET

A special meeting of the grand jury has been called for Monday, December 3. The recent murder and other matters, so it is rumored, will be brought to their attention.

Mrs. Thelma Saari Appearing at State

Mrs. Thelma Saari, formerly organist at the Liberty theatre at Fort Bragg, arrived in Ukiah last Sunday, making her first appearance as organist at the State theatre that evening. Mrs. Saari assumes the position left vacant by the departure of Miss Helen Thomas.

Mrs. Saari is an accomplished musician and that her playing is pleasing to the patrons of the State was amply attested by the applause she received. Ukiah audiences are cold to a newcomer as a rule, but the State's new organist won her place immediately in the hearts of the State's patrons.

MOVES TO COLUSA COUNTY

C. M. Bucknell, the well known Round valley rancher, was in town Thursday on business. He was on his way to Princeton, Colusa county, where he expects to spend the winter. Mr. Bucknell tells us that Russell Ells, the new road supervisor, has the Covelo-Dos Rios road in the best shape it has ever been in.

Dave Johnson was down from Covelo last week.

Rancher Murdered in Quarrel at Twin Rock

Ed Tracy, Old-Time Settler, Shot and Killed by Horatio Patton Following Friendly Visit

District Attorney Gibson, Deputy Sheriff Weger and Court Reporter Thornton were called to the Twin Rock section last Tuesday evening to investigate the killing of Ed Tracy, which occurred at the Powell ranch near that place Tuesday afternoon. They returned Wednesday shortly after noon bringing with them Horatio Patton, who will be tried in the superior court for the murder.

From the facts gleaned during the investigation, it seems that Tracy went to the ranch of Mrs. Harriett Powell, a neighbor, Tuesday afternoon. He had a 22-caliber rifle. Patton and the woman talked with him for awhile and then Patton went to the barn and killed a goat and hung it up. He returned to the house and shortly afterward engaged in an altercation with Tracy, eventually ordering him off the place. Tracy replied that he would not go unless Mrs. Powell told him to. Patton then went around the house and got his rifle and returned with it and shot Tracy, the bullet entering his left eye.

The body remained on the ground until the district attorney and his party arrived, which was nearly midnight, and in the meantime dogs or hogs mutilated the face until it was hardly recognizable. The officers covered the remains and watched over them until morning when they examined the body for wounds, finding but the one in the eye.

After the shooting Patton went to a neighbor named Cheney who lived about three-quarters of a mile away and told him of the affair, asking him to come down to the Powell place as a witness. Cheney went down, remained about ten minutes and then returned home and notified the authorities here.

(Continued on page 8)

Aged Willits Woman Falls, Breaks Thigh

WILLITS, Nov. 22.—Mrs. Mandy Houx, aged resident of this place, fell and broke her right thigh while walking about her home Tuesday night. She is at the Howard hospital.

Mr. and Mrs. J. R. Thomas left for a short visit in Napa yesterday and today will take in the big football game between Stanford and U. C.

THANKSGIVING

Brings to our minds thoughts of the Puritan and his wild turkey—or the Football Game.

Whichever holds our attention thrills us with pride of the progress of our Country and our Institutions.

Next Thursday we will cease business for the day and humbly give thanks for all that has made our nation what it is, a Land of Opportunity.

ROUND VALLEY

COVELO, Nov. 21.—The Christian Endeavor Society held the monthly business and social meeting on Tuesday at the Presbyterian manse. The business session was devoted to the discussion of a party for the Endeavor members, to be held December 31. The boys of the society will act as hosts. The members passed the remainder of a delightful evening in in games and in pulling taffy.

Mr. and Mrs. L. E. Ruch entertained at their home on Friday evening with a game of bridge. Those present were Mr. and Mrs. B. L. Hurt, Mr. and Mrs. E. F. Rohrbough, Mr. and Mrs. J. D. Rohrbough, Mr. and Mrs. C. G. Hiatt, Miss Ruth Dunlap, Miss Helen Lamb, Miss Alice Hull, Miss Margaret Judge, W. W. Calhoun and Lester Skelley. Mr. Hiatt received an Abraham Lincoln plaque as first prize. Mrs. J. D. Rohrbough won a bronze paper knife as the consolation prize. The refreshments consisted of dainty fruit salad and chocolate, served by Mrs. Ruch and Miss Dunlap.

The Covelo Women's Improvement club met at the grammar school auditorium Saturday afternoon, with Vice-President Ella Henderson presiding.

The club voted to accept Mrs. Hemenway's generous offer of the use of her front room for a library during the winter months. The library committee also reported the gift of a box of books from Mrs. Williamson. The reaction of various citizens of Covelo to the establishment of a public library by contribution has been very encouraging.

Mrs. Sadie Anderson gave an interesting account of a meeting of the Never Grow Old Club of Garnet, Kansas, at which she was a guest during her trip east. The club membership consists solely of ladies over 50 years of age. Its main object is to live up to its name. Study of interesting subjects is pursued. Mrs. Anderson's invitation to the meeting was due to the fact that her mother had been a member.

The girl members of the club furnished the entertainment, which consisted of a piano solo by Miss Shirley Rohrbough, and a play, "Young America," by members of the freshman class of the Round valley high school.

The high school basketball team played the alumni team Friday evening. After a very exciting game, which was cheered vigorously, the high school boys emerged victorious by a score of 15-13. This is the second time this fall that the high school boys have defeated the alumni.

Thanksgiving services were held at the Presbyterian Sunday school on the morning of November 18. The features were a responsive reading in which Miss Ruth Kaser led and the girls responded; Frank Coates, Jr. led and the boys responded; and Superintendent Coke led and the school responded. Miss Helen Lowry gave a recitation, and the glee club sang.

Owing to the condition of the road from the valley to the river (the new construction through Williams valley), Mrs. Nellie Ham and her son, John, have rented a house in town for the winter.

Miss Ruth Dunlap spent the week at the home of Mr. and Mrs. L. E. Ruch, during the absence of Mrs. Biggar.

Supervisor J. M. Rupe, of Willits, was up the first of the week looking after the condition of the roads in this vicinity.

Mrs. T. B. Hill was a Ukiah visitor the past week.

Russell Ells has been confined to his home by illness.

Mr. and Mrs. C. M. Bucknell left Tuesday for their new home in the Sacramento valley.

Mrs. Agnes Rhoads, of Newman, arrived Tuesday for a visit with relatives.

Frank Travis was in from the hill country this week.

COVELO, Nov. 19.—Miss Zelma Dixon, who has been in Covelo in attendance at the local high school, was called home this week by illness in the family. She will not be able to return this semester.

Mr. and Mrs. E. R. Bauer made a record trip across the mountain to the Sacramento valley the first of the week. They left Covelo at 7:00 in the morning, met the train at Red Bluff, visited in Tehama, and returning, reached home at 6:00 o'clock in the evening. With the completion of the new road to Mendocino Pass the time required to reach the top of the mountain on this side has been reduced to considerably less than two hours, most of this distance being made easily in high. From this pass to the old road there is a further climb of 1400 feet, which will be entirely eliminated when the new Glenn county survey down Grindstone creek is made. With the completion of this road, residents of Round valley may easily make the trip to Orland or Willows in three hours. The beauty of this drive is comparable to that of the Redwood highway, though of a different type. It is destined to become one of the most popular drives in the northern part of the state. On their trip the Bauers sighted 75 deer, one panther and one coyote. They ran into a young snow storm on the top of the mountain on the return.

Instructors Ruch and Calhoun of the high school faculty gave most interesting reminiscenses of their experiences in the World war at the Sunday evening services at the Presbyterian church on Armistice day.

Fred Chesney, of Los Angeles, is here visiting at the home of E. A. Gravier. He is on his return trip from Seattle.

Mrs. E. A. Gravier returned Friday from an extended visit in Los Angeles.

Rev. Lem Schillinger and Mr. and Mrs. F. Feliz were subpoenaed to San Francisco this week to give testimony at the hearing of the Senate Investigation Committee on Indian Affairs. The hearing is being conducted by Senator Louis Glavis.

Mr. and Mrs. Byron English visited over Armistice day at the L. B. English home.

Mrs. Florence Begley was a guest for a few days at the home of her mother, Mrs. Laura Russell.

Mr. and Mrs. William Walter and little daughter, of Willits, spent Sunday with their parents in Covelo.

Mr. and Mrs. Emmet Spurlock came up from Watsonville to spend the week end at the T. F. Spurlock home. These young people were married recently at Baker, Oregon, going directly from there to Watsonville, where Emmet is instructor in agriculture in the high school. This is their first visit to the paternal home.

Considerable sickness still prevails. No improvement can be reported in the condition of James Hurt, Mrs. Roy Dunlap or Mrs. J. S. Rohrbough, three of our finest and best known citizens.

A pleasant diversion at the regular meeting of Augusta Chapter No. 80, O. E. S., was a shower for the newest bride, Mrs. Rollin Squires. Each member presented her with a gift in honor of the joyous occasion. The date for installation of the new officers was set for Friday, December 7. Each member has the privilege of inviting her family and one or two friends.

The heavy storm of last week has set all our streams runnning, and salmon are coming up in numbers. It is rumored that the privilege of spearing salmon may be soon withdrawn.

300,000 Trout Freed at Cloverdale Pond

Game Association Completes Its Labors and Turns Fry Into Russian River Last Week

CLOVERDALE, Nov. 19.—Three hundred thousand German brown trout and Loch Leven trout, raised from fingerlings to fish as much as seven inches long, under protection of the Northern Sonoma County Fish and Game Protective Association, have been washed out of the rearing pond and into the Russian river by the rising of the stream here. They were large, active and wild enough to take care of themselves in the river, and sportsmen here are delighted at the success of their second trout rearing venture.

In addition to feeding the fish since they were received from the fish hatchery, members of the sportsmen's club have guarded them carefully from the depredations of poachers, both human and animal. One hundred and forty-five predatory birds that feed on fish were killed at the rearing pond, together with 89 water snakes of various sizes.

In the stomach of one of the snakes killed, a reptile about 19 inches long, remains of 30 trout were found. Another snake was destroyed with a fish 5½ inches long, more than a third of the total length of the reptile, half swallowed.

While no report is available yet to show the expense of rearing the fish, according to Ernest McPherson, president of the club, it is believed the cost was not as high as that of 1927, due to the experience gained by sportsmen a year ago. They are enthusiastic over the success of their second venture.

It is estimated that 100,000 fish out of the 400,000 planted were lost, but most of these died shortly after planting, and it is believed this was due to the fact that many of them were still too small to have been moved from the fish hatchery tanks.

GIVEN CERTIFICATE BY CHURCH TRAINING SCHOOL

A high school student, Ada Blankenship, was among the winners of teachers' certificates given by the church training school conducted in Ukiah the last two weeks. Miss Blankenship, notwithstanding the extra effort of carrying both her high school subjects and the training school subjects, came through with flying colors, making a high standing.

A PRIZE CHRYSANTHEMUM

The Dispatch was presented this week with one of the prize chrysanthemums raised by Mrs. Ellen Hunt at her ranch home near Orrs. The blossom was a beauty, pure white and a giant in size, measuring 7½ inches across.

WILLITS NOTES

WILLITS, Nov. 21.—For several days we have been having cold nights and warm sunshiny days. There is still a lot of snow on the high mountains.

Mr. and Mrs. Albert Clay and Harry Nelson came over from Rockport to spend Sunday with friends.

F. H. Moore returned Sunday from a short visit in San Francisco.

H. B. Muir spent the first of the week in San Francisco.

John Haun and Alex Robinson motored over from Jackson valley to spend the week-end with relatives and friends.

Mrs. Annie Babcock was called to Ukiah last Saturday by a meeting of the county board of education.

A son was born to Mr. and Mrs. Clarence Wilson the first of the month.

Miss Irene Sindt has returned from a short visit in San Francisco.

L. Prothero was down from Laytonville last Monday.

Roy Whited left Saturday for San Francisco, where he expects to spend the winter.

George Heyward, M. Leak and Dr. F. W. Wilson left Saturday for Covelo, where they were joined by Raymond Hill and the party went out in the mountains for a bear hunt. The local men returned Tuesday morning and brought three bears with them.

Merrill Williams went up to Laytonville the first of the week to visit his mother.

Paul Cureton came down from Eureka this week for a short visit.

Paul Grothe, of Bell Springs, was in town today. He reports the feed in his section as being splendid and the stock are in good condition.

Mrs. M. F. Smith, who has been visiting the Frost families for the past three weeks, returned to her home in San Francisco today.

Mrs. M. C. Hall came over from Upper Lake this week and is visiting friends.

Lagunita Rebekah lodge is having a boom and is probably taking in more new members thany any other lodge in Willits. Tuesday night they initiated another large class and wound up the meeting with one of those famous banquets for which the ladies of that lodge excel. The new members are: Ruby Branscomb and Belva Harwood of Laytonville, and Elinor Dill, Ella Hubbard, Irma Heckendorf, Ethel Hardisty, Ellen Branstrom, Geneva Whited, Dorella Chisholm and Silva Andrews of Willits.

A. J. Bulle has leased the Estep ranch and intends to go into the sheep business on a large scale.

Mrs. Allen Davidson has been seriously ill with bronchial pneumonia for several days but is reported as being some better this morning. Her daughter, Mrs. Mabel Woodin, came down from Eureka to help take care of her.

Mrs. Henry Ward, of Bakersfield, is visiting her sister, Mrs. F. S. Dorman.

Hugh Frazier died at the hospital yesterday. He lives in the Cummings section and was brought here Sunday for medical attention. He was suffering from a severe attack of bronchial pneumonia and failed to make the grade.

Mr. Frazier was born in Ukiah, July 16, 1884, and had lived in this and Humboldt counties all of his life.

He leaves a wife and 12-year-old daughter. The funeral will be held at the Anker & Cleland mortuary, Thursday.

One hundred Chinese pheasants were liberated on the Willits golf course grounds the first of the week and the same number will be sent here for the next three years. The birds were raised on the Yountville, Napa county, stock farm that is kept up by the State Fish and Game Commission.

A club of 25, or more, local citizens will be formed to look after the birds until they can get a good start and anyone caught killing them will be dealt with severely. The average brood is eight and it is hoped that in a few years this section will be well stocked with the birds.

Willits Chapter No. 314, Order Eastern Star, elected the following officers for the new year at their meeting last week: Cora Teal, worthy matron; Arthur Thompson, worthy patron; Bernice Guslander, associate matron; Ray Ritschel, associate patron; Maud Zbinden, conductress; Phyllis Clay, associate conductress; Lois Steele, secretary; Neva Watson, treasurer. The date of installation was set for December 12th and an elaborate turkey dinner, with all of the trimmings, will be one of the big drawing cards.

Marshal Jake Thom arrested Luther "Shorty" Evans, Monday, on a charge of making and distributing jackass. Shorty made a concoction out of raisins, sugar, and other ingredients, that produced a big kick and he had been warned to lay off on it. He was taken before Judge H. M. Burke and sentenced to ten days in the county jail and was taken to Ukiah that afternoon.

ANDERSON VALLEY

BOONVILLE, Nov. 20.—The high school dance Saturday night drew a very small crowd, owing, no doubt, to there being several other dances the same evening in nearby towns. The music, which was furnished by The State Theatre orchestra of Fort Bragg, was fine and the students served a splendid supper.

R. V. Lamson, principal of the Fort Bragg grammar school, was a Boonville visitor over the week-end.

Camp J closed for a few days on account of the heavy rain. D. P. Lawson, J. W. Slotte, H. V. Nichols and George Farrer were at their homes during that time.

The A. R. Johnson family has moved into their new home which has just been completed. It is one of the finest homes in the valley and was erected near the site of the old home that burned down last summer.

Work on the J. W. Slotte house is going ahead rapidly. The family hope to have it finished before Christmas.

Everyone has been taking advantage of the fine weather and trying to finish drying and getting their fruit out before another rain. A great many trucks are busy hauling the apples and prunes out.

Kent Brown has been at Letterman hospital, San Francisco the past two weeks for treatment. He expects to be able to return home soon.

Mrs. J. C. Hurley has been confined to her home with a bad cold for several days but is now able to be out. Mrs. W. A. Raglan substituted at the Yorkville school during the absence of Mrs. Hurley.

Ernest Whipple and Cleve Phelps, of Philo, made a business trip to Ukiah Thursday.

Mrs. Rowena Holmes and small daughter left here Sunday for their home in Long Beach. Mrs. Holmes has visited relatives here the past two months.

Prof. and Mrs. Reed have as their guest Mr. Reed's mother. Mrs. Reed passed some time here two years ago and made many friends who will be glad to see her again.

Mrs. F. A. Rawles has been ill, but is recovering.

I. C. Burke and H. C. Clow were business visitors to Cloverdale Friday.

Preston Harrington had the misfortune to run a large nail into his foot while working on the road Friday. He is able to be around again now.

Mrs. John Gschwend, of Philo, made a business trip to Healdsburg the latter part of the week.

The local order of Rebekahs is giving a dance December 1. They have engaged the State Theatre orchestra of Fort Bragg. Remember the date. You can be sure of a very pleasant evening.

The high school is having a movie show this week and, if returns warrant it, they will be continued during the winter. This week the show is "Shanghaied."

Dr. and Mrs. R. W. Walreven, of Berkeley, were speakers at 11 o'clock services Sunday morning in Boonville and at the evening service in Philo church.

Mr. and Mrs. Mark Burke have both been quite ill with influenza, but are improving.

The Unity club had a very interesting meeting Saturday afternoon at the Philo church. Mrs. C. T. Ingram and Mrs. E. Foster read well prepared papers on "Our Part in Permanent World Peace." Following the business session dainty refreshments were served. This was one of the best meetings this year.

A carload of hogs was shipped from here last week by Goddard & Reynolds. The hogs came from Potter valley.

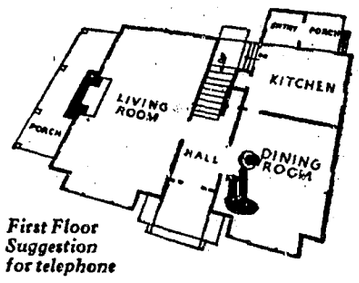
Have at least two telephones

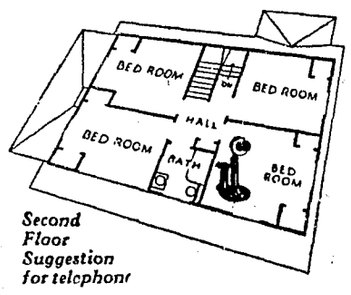
An extension telephone is as much a saver of steps in your home as an additional water tap. And it costs very little.

Extension telephones can be installed after your house is built, but an even better method is to *plan* for adequate telephones before you build.



First Floor Suggestion for telephone

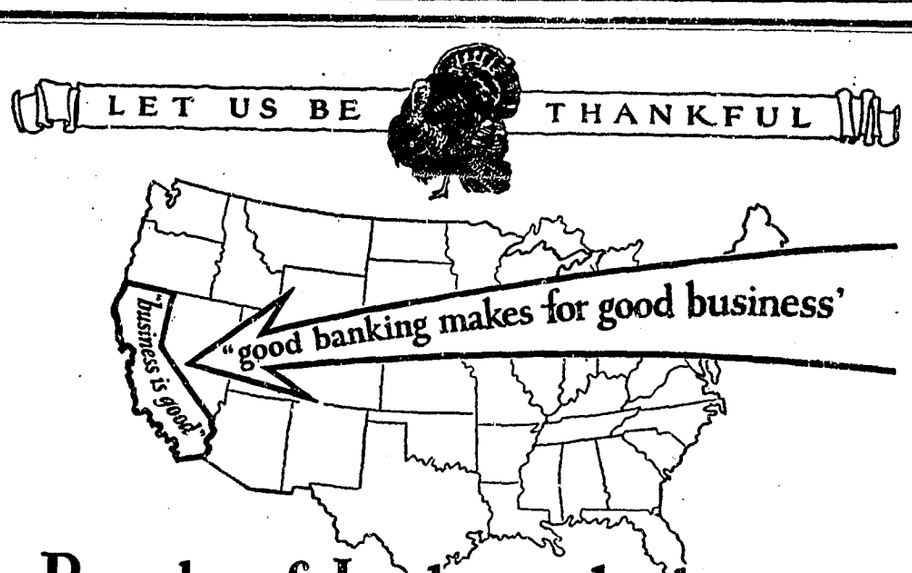
We have prepared an interesting booklet with suggestions for home builders and architects showing how to make *advance provision* for conduit and hidden wiring. Ask for a copy at the "Business Office."



Second Floor Suggestion for telephone

THE PACIFIC TELEPHONE AND TELEGRAPH COMPANY

LET US BE THANKFUL



Bank of Italy is helping to keep California "*white*" on the Nation's business map.

NATIONAL SURVEYS each month show that, year after year, California continues to be a permanent "*white spot*" on the business map of the United States, due, in part, to the existence of proper and adequate banking service. The Bank of Italy—because of its great statewide organization, reaching every important agricultural, industrial and commercial center of the State—and its great fund of banking capital—has been able to give timely financial aid to every section of California. Great California industries—particularly fruit growing, agriculture, dairying and stockraising—have been financed and sustained during marketing periods by the state's largest bank. Bank of Italy will continue to aid in keeping the nation's "white spot" *white*.

PROCEEDINGS OF THE SUPERVISORS

Official Minutes of Business Transacted by County Board During Their Latest Session

The Board of Supervisors of Mendocino County met at 9:30 o'clock a. m. November 13, 1928 with the following members present: N. P. Howe, chairman; E. L. Williams, E. M. Ford, J. M. Rupe, Chas. R. Perkins, members; W. H. Prather, clerk by M. A. Carpenter, deputy clerk.

The Board then proceeded to canvas the vote cast at the general election held November 6, 1928 and adjourned to and re-convened at 1:30 p. m. on this day with all members and above clerk present. The canvas of the returns of the election was completed, with the exception of the absent voters' ballots which the law requires canvassed at a later date.

Wood for Mendocino County was ordered advertised for, the sealed bids therefor to be opened at 11:00 o'clock a. m. December 11, 1928.

The Board fixed 2:30 o'clock p. m. of December, 1928, at the Board room of this Board of Supervisors in the Mendocino County courthouse, as the time and place for hearing the matter of the boundaries between Yorkville and Anderson school districts.

The budget of the First supervisorial district was changed by transferring the sum of $400.00 from labor on road to rent of equipment.

The cost of the repair, maintenance, reconstruction, etc., of the existing roads, and the acquisition or construction of new roads of Supervisorial Districts 1, 2, 3, 4 and 5 was charged to the various county general funds as follows: Claims bearing clerk's numbers 1646 and 1647, 1650, 1651 and 1653 to the County General No. 1 fund; claims bearing clerk's numbers 1492 to 1495, both inclusive, 1499, 1501, 1503, 1504 to the County General No. 2; claims bearing clerk's numbers 1612 to 1627, both inclusive, to the County General No. 3; claims bearing clerk's numbers 1557 to 1548, both inclusive to the County General No. 4; and 1530 to 1532, both inclusive, to the County General No. 5, 1928 funds.

The necessary claims against Mendocino County were allowed as shown by the allowance book for November 13, 1928.

The Board then adjourned to, and re-convened at 9:00 a. m. November 14, 1928 with all members and deputy clerk present.

Resolutions from Humboldt, Sonoma, Marin and San Francisco counties giving tentative approval to the formation of a joint highway district to construct a shoreline highway were received and filed and the clerk of this Board was directed to notify each of the above counties of the approval of the project by all counties in said proposed joint highway district.

The Board appointed Supervisor Chas. R. Perkins a director from Mendocino County for the joint highway district composed of Humboldt, Mendocino, Sonoma, Marin and San Francisco counties.

The Board then adjourned to, and reconvened at 2:00 o'clock p. m. of this day with all members and deputy clerk present.

The Board directed Chairman N. P. Howe to forward a telegram to the State Highway Commission to the effect that Mendocino County had agreed to take over abandoned portion of Cloverdale-Hopland highway and expected the commission to budget funds for survey to correct this hazardous portion of the Redwood highway.

The Board authorized and directed N. P. Howe, as chairman of this Board, to sign a cooperative agreement with University of California College of Agriculture cooperating with the Department of Agriculture, on behalf of Mendocino County for farm advisor and assistant farm advisor project for the fiscal year beginning July 1, 1928.

G. V. Wallach was employed by the Board, under the supervision of Jas. R. Elder, county recorder, at a compensation of $200.00 per month for a period of not to exceed three months to reproduce, repair, etc., maps that are in danger of destruction by age, obliteration and constant use in the county recorder's office.

E. T. Leiter, the contractor, constructing the first unit of the Mendocino County courthouse appeared before the Board and asked for, and was granted an extension of time to this date to complete said courthouse building.

W. H. Ratcliff, architect, and R. L. Dennen, county inspector of construction of first unit of Mendocino County courthouse, appeared before the Board and recommended the acceptance of said building, under contract by E. T. Leiter & Son, as finished and completed according to plans and specifications and recommend the installation of glass doors at the various entrances to the old courthouse building and the waxing and polishing of the linoleum covered floors of the new building before use. The Board then accepted the new courthouse building and the recommendations of architect and inspector.

The Board employed E. A. Eversole to wax and polish the linoleum covered floors in the new courthouse building at a cost of not to exceed $175.00.

The county purchasing agent, M. A. Carpenter, was directed to purchase Art Metal furniture and equipment for the new courthouse building, not to exceed the sum of $1,000 in cost.

An erroneous assessment to J. F. Westphalen and Robt. S. Williams, and to Robert Rogers was ordered cancelled by the auditor, and the chairman of this Board was authorized and directed to sign an order for said cancellations.

The Board ordered the correction of 23 clerical errors in the assessment rolls for 1928-1929, and directed the chairman of this Board, N. P. Howe, to sign orders on behalf of Mendocino County.

The county purchasing agent was directed and ordered to purchase and have installed shades for the windows in the new courthouse building.

The Board then adjourned to, and re-convened at 9:00 o'clock a. m. November 15, 1928 with all members and deputy clerk present.

The Fort Bragg Undertakers was awarded the contract to conduct all county burials for one year at a total cost to Mendocino County of $25.00 in each case where bodies are buried on the coast section of Mendocino county and $32.00 in each case when said bodies are buried on the valley side of said county, and the chairman of this Board, N. P. Howe, was authorized and directed to sign a contract on behalf of Mendocino County with Fort Bragg Undertakers to that effect.

Transfers or revisions in the various departmental budgets, as permitted by law, were made.

The hearing on the passage of emergency claims against the county was set for 4:00 o'clock p. m. December 11, 1928, and notice ordered published as required by law.

On recommendation of the county surveyor, the Caspar road and bridge, under contract by Smith Bros. Co., was accepted as finished and completed as per plans and specifications.

Mrs. Ellen King was granted a county allowance of $10.00 per month in supplies through store of Shafsky Bros. beginning November 1, 1928.

Clerical errors were corrected in three assessments for the year 1928-29.

The Board adjourned to, and reconvened at 1:00 o'clock p. m. of this day, with all members and deputy clerk present.

The Board authorized and directed Clair Smith, county treasurer, to call in $10,000.00 worth of county courthouse 4 percent bonds if the price therefor is acceptable.

The revised map of Branscomb Redwood Estates subdivision was approved and accepted by the Board but the roads offered for dedication for the public were not accepted. The bond for the payment of taxes on said subdivision was fixed at $500, and the chairman, N. P. Howe, was authorized and directed to sign the approval of the subdivision and said bond, on behalf of Mendocino County.

Chairman N. P. Howe and Supervisor J. M. Rupe were appointed members of the advisory corps of the Redwood Empire Association.

On recommendation of County Superintendent of Schools F. D. Patton, Nashmead school district was re-established or reopened.

The reports of the various county officials were accepted and placed on file.

It was ordered, by the Board, that the moving of the various county officials and departments, as required by the completion of the new courthouse building, be conducted under the direction of the head of each office or department.

The Board then adjourned.

The Board met at 10:00 o'clock a. m. November 21, 1928 pursuant to law to canvass the absent voters' ballots and declare the result of the election held in Mendocino County November 6, 1928 with the following present: E. L. Williams, E. M. Ford, J. M. Rupe, members; M. A. Carpenter, deputy clerk; absent N. P. Howe, chairman, Chas. R. Perkins, member.

E. L. Williams was chosen chairman pro tem and the Board proceeded to canvass the absent voters' ballots cast at the general election held November 6, 1928, in the manner prescribed by law, and declared the result of said election.

EUREKA TEAM BEATS UKIAH HIGH SCHOOL

The football team of the Ukiah high school was beaten at Eureka last Saturday by the Eureka high school by a score of 37 to 0. Seven of Ukiah's first-string men were either ill or coming down with flu when the game was played and the locals were unable to muster their regular fighting strength.

A similar condition obtained among the Fort Bragg players recently when they played their game with Ukiah and were badly beaten.

Eureka plays Vallejo today at Eureka.

LOST STUDENTS FOUND

The four students of the state university who were lost on Snow Mountain the latter part of last week, were found by means of a telephone station of the forest rangers on Mt. San Hedrin the latter part of last week after being without food for several days. In their wanderings they happened across the telephone box and managed to get a message through to the home of one of the rangers, telling where they were.

Dr. and Mrs. J. H. Hansen are in San Francisco over the week end.

Mrs. Chet Hill has been seriously ill with the flu the past week.

Thomas McNamer Passes at Willits

WILLITS, Nov. 20.—Thomas McNamer died at the home of his daughter, Mrs. Cora Workover, last Wednesday, aged 78 years. The deceased was born in Iowa and was brought to this state when he was six months old. He came to this valley in 1869 and this had been his home for most of the time ever since that date. He started buying and driving stock when he was a young man and followed that occupation until a few years ago. In the early days he used to make three round trips a week between this section and the coast. He also conducted retail meat markets in Willits and Mendocino. He married Ellen Whitcomb in 1871 and three children were born to this union, all of whom, with the exception of Cora, are dead. The funeral was held Friday afternoon at the Anker & Cleland mortuary, Chaplain G. H. Jones officiating.

POTTER VALLEY FORESTERS TO GIVE THANKSGIVING DANCE

The Potter valley Foresters lodge have advertised a dance to be given under their auspices in the Grange hall at Potter valley on Wednesday evening, November 28—Thanksgiving eve. Good music is guaranteed and admission is $1.00 per couple.

The Foresters give this dance annually and it is an event much looked forward to by the community.

A. R. STEIERT ILL

A. R. Steiert, well known Ukiah business man, was taken ill very suddenly last Saturday and was confined to his home for several days. The attack was thought at first to be due to a bad heart, but it has since transpired that it was caused by gas in the stomach pressing against the heart.

Red Cross Roll Call Now Being Conducted

The annual Red Cross roll call is now being carried on in Ukiah. The roll call is held annually. The city of Ukiah has been districted by voting precincts, and the following ladies are in charge:

Precinct No. 1—Mrs. Maryjane Dart.
Precinct No. 2—Mrs. Josie Williams.
Precinct No. 3—Mrs. Flossie Preston.
Precinct No. 4—Mrs. L. H. Foster.
Precinct No. 5—Mrs. A. H. Martin.
Precinct No. 6—Mrs. Leila Williams.
Precinct No. 7—Mrs. R. R. Holton.

Don't hesitate to do your bit when called upon by these ladies.

Geo. Clark to Open Store at Laytonville

LAYTONVILLE, Nov. 19.—It is reported that George Clark, the well known Longvale merchant, and another party, have purchased the business property now occupied by the postoffice from Mrs. A. M. Helm. All told there are five small buildings included in the deal and we are told that Mr. Clark will open a general merchandise store in the vacant storeroom in a few weeks.

STRUCK BY CAR

Ellis Gschwend, of Calpella, was badly injured Thursday evening of last week when he was struck and knocked down by a car driven by Dave Cohen of Ukiah. Gschwend had just got out of another car and was walking along the edge of the road when he was hit.

While Gschwend sustained no broken bones, his face and chin were badly cut and bruised.

DANCE

Saturday Afternoon club rooms, Wednesday evening, November 28. Admission 50c a person. De Motte's orchestra. 8

Miss Grace Mathews and sister, Mrs. Geneveive LaFleur, were week-end visitors in Ukiah from San Francisco, spending the holiday with their mother, Mrs. Josephine Mathews.

Electric rates REDUCED

With new rates and the use of our improved type of lighting fixtures (ceiling, floor or table lamps) customers will combine economy and beauty with good lighting and eliminate harmful glare and gloom.

Electric Heating Less

Where Domestic consumers use two or more lamp socket appliances, such as: percolator, iron, toaster, heater, waffle-iron, etc., our new Domestic rates apply.

Now 3½ to 1½ cents per kilowatt hour

Our local representative will gladly assist you in the selection of the best type of electric appliance suited to your needs. If you have not sent in your application for the new domestic rates, do it today.

PACIFIC GAS AND ELECTRIC COMPANY
P·G·and·E·
Owned · Operated · Managed by Californians

Days you "*see your breath*" are much too cold for "*wet*" gasoline

EVEN in summer "wet" gasoline is sluggish. Heavy kerosene-like particles fail to burn. They filter down into your oil, thinning it, ruining its lubricant value, wasting fuel.

And in winter you will have *real* trouble. "Wet" gasoline—even so-called winter quality of "wet" gasoline—simply can't vaporize properly. It hits the cold motor and condenses like a damp fog. It forms in droplets on the manifold, on the cylinder walls.

Your battery has a hard enough job turning a stiff cold motor without the added handicap of slow starting "wet" gasoline.

Would you like to avoid cold weather starting troubles? Would you like a gasoline that goes all into power and mileage? Shell 400, the "dry" gas is so exactly refined that "wet" fractions are eliminated. It vaporizes completely and therefore starts easily; it burns cleanly and hence delivers maximum power with no oil dilution or waste.

It costs no more than "wet" gasoline. Let every frosty morning remind you of Shell 400, the "dry" gas—no other Shell gasoline is sold.

SHELL 400

QUICK STARTING
The "DRY" GAS

And about oil: There's an oil now that forms no hard, flinty carbon. If you would avoid the endless troubles caused by carbon, and "add thousands of miles to the life of your car," insist on SHELL MOTOR OIL whenever you buy

It doesn't take many cold mornings to flood your oil with condensed wet gasoline that runs down the cylinder walls. Here is an example — oil half gasoline in less than five hundred miles of running.

With Shell 400, the "dry" gas, you can often run a full thousand miles and have less than 10% gasoline in your oil — not enough to seriously damage it

PROCEEDINGS OF SUPERIOR COURT

Minute Orders, Calendar and E-Parte Matters Coming Before County Bench This Week

Estate of Mary Mattson, deceased—J. W. Kingren appointed sole appraiser.

Mazzotti vs. Santi et al—Judgment in favor of plaintiff for $1684.22, and $15.25 costs.

Cauliflower Hailed as Coming Industry

Willits Rancher Finds Climate and Soil There Peculiarly Adapted to Culture of Plant

WILLITS Nov. 30—Joe Frachai is now shipping 75 dozen of his choice cauliflowers to Eureka every week and is receiving very satisfactory returns notwithstanding the high freight rates.

Without any exaggeration it can safely be said that no better cauliflower can be raised in this, or any other country, than is now being grown in this valley. Our peculiar climatic conditions that makes it impossible to raise some other kinds of products is just what cauliflower demands. In addition to this we are from a month to two months later than the other big cauliflower producing sections and when our product is at its best the other is almost off of the market. The two great cauliflower producing sections in California are the delta lands of San Joaquin county and the coast section of Orange county. In both of these sections the industry is highly organized and their product goes out in carload lots all over the nation.

An effort is now being made to have 25 or more ranchers plant five or more acres each next year and then organize a Cauliflower Producers Association and ship their product in carload lots all over the nation. If this is done they would probably receive from $500 to $1,000 net per acre and instead of being in debt they would have to worry about how they were going to loan their surplus cash.

We are told that one man can tend to from 10 to 20 acres of cauliflower with the aid of labor saving machinery and the returns are much greater than they can receive from any other product with the same outlay. Cauliflower will be the salvation of this valley and will sometime make it famous.

BAPTIST CHURCH

You can help the interest in the Bible school by being there, and on time.

Sermon subject at 10:45 a. m., "Thou Shalt Have No Other Gods Before Me."

Our B. Y. P. U. welcomes you at 6:45 p. m.

Evening sermon subject, "Road Builders."

We extend a hearty welcome.

C. F. MOSHER, Pastor.

The union Thanksgiving service will be held at the Baptist church on Thanksgiving eve, November 28, at 7:45. Rev. C. A. Rexroad, pastor of the Methodist church, will preach the sermon. There will be good music and we want you to come.

CHRISTIAN CHURCH
November 25, 1928

9:45—Bible school. Classes for all.
11:00—Sermon. Subject: "The Sermon—Is It True?"
6:30—Y. P. S. C. E. devotional hour.
7:30—Sermon. Subject: "The Sermon—Is It Practicable?"
Everybody cordially invited.
Come to see—listen—to think.

B. J. DILLON, Pastor.

MARRIAGE APPLICATION

Interesting Local and Personal Items

State Forest Inspector R. E. Roach was called to Sacramento this week on business connected with the state office.

Mr. and Mrs. W. F. Moore and Mrs. Walter Moore and infant were down from Willits Thursday.

James Scott was over from Upper Lake Saturday.

Mr. and Mrs. E. M. Montgomery, of Fort Bragg, were here last Sunday.

Donald Griner, of Upper Lake, was a Ukiah visitor last Monday.

Mrs. W. D. Rhoades came down from Covelo the first of the week.

Tom Poulos left Thursday for an extended visit at his old home in Greece.

Bob Williams was down from Willits on a short business visit last Tuesday.

L. L. Hopkins returned Thursday from a motor trip to the southern part of the state.

Mrs. Lee Knighten, of Potter valley, was a Ukiah visitor Wednesday.

Tom Jamison was in town from Redwood valley Tuesday.

Jack Newman was here on business from his Potter valley home yesterday.

Mrs. Ray Walker and Mrs. Fred Alpers were down from Willits yesterday.

Mrs. Ellen Hunt left Thursday for a few days' visit in Santa Rosa and San Francisco. While away she will select plants, seeds, bulbs, etc., for her stock at the Cecille Flower Shop.

George Vevoda was among those laid up with the flu the past week.

Bunt Cox spent several days fishing on the coast this week.

Mr. and Mrs. J. W. Eversole have both been seriously ill with the flu the last few days. Mr. and Mrs. Keith Eversole are convalescing from the same ailment.

Mrs. Lawrence Waugh is among the flu victims this week.

Mrs. C. N. Mortensen, who has been ill for two weeks, is now convalescent.

Under Sheriff Wm. Gibson has been having the big walnut trees at his home topped this week, Lile McCorquodale doing the work. It takes a real steeple jack and the work is very risky. The trees are among Ukiah's oldest landmarks and are veritable giants.

Miss Myrle Ruddick returned the early part of the week from a vacation trip to the southern part of the state and has resumed her position as bookkeeper for the city.

L. V. Hufft was a business visitor to Willits Sunday.

Great Minds Attuned to Nature's Temples

There is a sincerity in nature, and, in the free out of doors, things really are most often what they seem, despite the vagaries of mirage and the deceptions of distance occasioned by atmospheric clarity.

The artificial needs a particular setting. The sunshine and the stars and the blue vault of heaven are honest. The groves were Divinity's first temples because they were and remain the most fitting temples in which the Universal Spirit may be worshiped. In the groves, on the mountainsides, by the shores of the seas we find dignity and peace and repose—the something which appeals directly to the soul. There is there nothing of the garish, nothing of the vulgar, nothing of the trivial and small, no distracting roughness of harmony to hold us to the commonplace experiences of life.

So Socrates went speaking in the open, as did the vagabond Villon when coining his immortal melodies, as did Goldsmith and Walt Whitman and many another who got close to the heart of the Spirit of Nature.

So Jesus—Man of the open spaces—spoke from the mountain and the field and from under the trees; by the brookside, and where the murmur of the sea waves filled the mind and the soul with thoughts of harmony—Cincinnati Enquirer.

New Yellowstone Geyser

Many people are in the habit of regarding geysers as stable institutions like mountains and lakes. But such is not the case. Geysers come and go with little notice. This is proved by the fact that recently one of the largest geysers in the world opened up in Yellowstone National park. Twice a day the new geyser spouts a terrific stream of water about 75 feet high and continues for three hours. Its crater is 100 feet wide, 120 long, and 8 deep. It is near the famous Excelsior geyser which ceased to spout in 1888.

Must Be Right to Endure

I am not discouraged. Things will right themselves. The pendulum swings one way and then another. But the steady pull of gravitation is toward the center of the earth. Any structure must be plumb if it is to endure, or the building will fall. So it is with nations. Wrong may seem to triumph. Right may seem to be defeated. But the gravitation of eternal justice is toward the Throne of God. Any political institution which is to endure must be plumb with the line of justice.—From the last speech of John

PROCEEDINGS OF SUPERIOR COURT

Minute Orders, Calendar and E-Parte Matters Coming Before County Bench This Week

(Continued from Page 4)

posited in county treasury.

J. F. W. May vs. Martha May—Set for Tuesday, November 27.

In the matter of the assignment of D. T. Johnson and G. F. Johnson for benefit of their creditors—Set for November 27.

Severance vs. Gallagher—Order of sale for $7822 principal and interest, $22.50 costs, $500 attorney fees.

People vs. Connolly and Rea—Trial set for January 28. Jury demanded by Connolly.

The People vs. Edith Ericksen—Case argued and submitted.

The People vs. M. H. Sorrell—Defendant placed on probation for five years to report to probation officer monthly.

Rich vs. Rich—Set for Friday, November 30.

In the matter of Henry Carmichael, minor—Placed in custody of E. A. Zimmerman at county detention home. Case continued to December 1.

In the matter of Wallace Brown, a minor—Case continued till December 15.

In the matter of Roy Hampton, a minor—Same as above.

In the matter of Archie Johnson, a minor—Continued till December 1.

In the matter of Hale Knight, a minor—Transferred here from juvenile court of Sonoma county. Defendant adjudged ward of the juvenile court and committed to detention home with understanding that matron may keep him at county hospital as long as he needs medical attention for his leg.

Estate of Mary L. McCready, deceased—Decree of due and legal notice to creditors.

Estate of George Orr, deceased—Final discharge of administrator.

Estate of G. A. Smart, deceased—J. W. Kingren appointed sole appraiser.

In the matter of Leroy Fulwider, a minor—W. N. Fulwider authorized to compromise claim for damages for $125.

Estate of F. C. White, deceased—Return of sale of personal property confirmed to J. Barth and Co.—21.60 shares of Sinclair Consolidated Oil Corporation for $688.73.

Estate of Rockwell McMullen, deceased—Order fixing inheritance tax.

Estate of J. F. Westphalen, deceased—J. W. Kingren appointed sole appraiser.

Traffic Offenders Taken Into Court

The traffic officers are keeping up the good work and have added the following since our last publication:

Charlie Gibson, Ukiah, fined $150 for reckless driving.

G. H. Girtintzog, Sacramento, fined $100 for reckless driving.

W. B. Wygal, Oakland, fined $45 on two counts—speeding and failing to appear before local justice several months ago when he received a tag.

All of these cases came up before Judge Hoffman.

C. H. McClendon, Redwood valley, has had his license revoked for one year for driving while intoxicated.

BACK FROM ARKANSAS

Douglass Graves returned the latter part of last week from a two months' visit to his boyhood home in Arkansas. Doug enjoyed the visit with former friends, but was glad to get home. He states that labor conditions are very backward in that section and that wages are at a starvation figure and work scarce.

BIRTHDAY PARTY

Jewell Blankenship was given a birthday party at the Christian church on the 9th inst., the occasion being his 14th birthday anniversary.

A supper was served at which 32 of his friends were entertained. Following the supper games were played and a very enjoyable time was reported.

Mrs. J. C. Hurley, who has been ill with influenza for several weeks, is able to be out once more.

HOPLAND

HOPLAND, Nov. 22.—Mr. and Mrs. L. O. Salladay have purchased a new home in Santa Rosa.

Mrs. Harris died at Cloverdale Tuesday and was buried in Ukiah Wednesday afternoon. Mrs. Harris was an old pioneer of Hopland. Many Hopland people attended the funeral.

Mrs. Riley Patrick and Miss Alice Hunter, of Lakeport, spent the week-end visiting Mr. and Mrs. R. E. Patterson.

Mrs. Frank Tolman gave the Johnsons a farewell party last Tuesday night. Many friends attended and the evening was spent playing games and dancing.

Mr. and Mrs. Emory Liston are moving to San Francisco and Web Harpe is looking after their ranch.

Mrs. Wm. Metzler and small son came home Thursday.

Hopland farm center held their regular meeting Wednesday night. Mr. Mannon gave a very interesting talk on the San Francisco bridge question. Mr. Myszka gave a talk on spraying and Clark Avery gave a talk on general subjects. After the business meeting refreshments were served.

R. E. Patterson was elected an assistant to Don Ward, the Boy Scout master.

Mr. and Mrs. Francis Sierck are sporting a new Chrysler 65 sedan.

Mrs. Paul Bryan returned home Friday night after spending a week visiting her relatives in the bay district.

Mr. and Mrs. Ernest Banks and Mrs. L. Vassar attended the funeral of John Banks in Ukiah last Saturday afternoon.

Mr. and Mrs. Wm. Peters spent the week end with Mr. and Mrs. J. L. Hughes.

Mrs. Clarence Duncan is sporting a new Star roadster.

The farm center dance given last Saturday night was a great success and many people attended from Ukiah and Lakeport.

Mr. and Mrs. Paul Mathews, of Ukiah, spent Saturday in Hopland.

Joe Alvarez, Jack Hughes, Frank Harpe and Frank Furniss and Wilburn Johnston enjoyed a fishing trip at Lakeport Wednesday.

Mr. and Mrs. R. E. Patterson and Miss Alice Hunter and Riley Patrick spent Sunday in Santa Rosa.

Automobile Bargain

On next Wednesday, November 28, at the county jail in Ukiah, at ten o'clock, I will sell at public auction to the highest bidder for cash, one Buick six coupe, 1928 model, run about 9000 miles. This is a bootlegger's car.

R. R. BYRNES, Sheriff.

F. D. Hughes, a former well known resident of the Potter valley section, was in Ukiah the first of the week on his way back to his home at Santa Rosa following a trip to Potter to look after property interests. His ranch in Potter is being rented by Howard Brooks of that place.

Motorist Killed on Highway Sunday

A man indentified as Cort Wilson, a traveling photographer of Schellville, was killed instantly and his remains were partly cremated in the wreck of his car last Sunday evening. The accident happened at the bridge just this side of the Charles Crawford ranch. Wilson was evidently going at terrific speed when he rounded the turn on to the bridge. The big steel-pipe railing on the bridge was cut off cleanly where the car struck it. The machine turned over into the creek and caught fire. A small dog in the car was caught in the wreckage and burned to death.

The wreck was discovered by Charles Williams, employed on a nearby ranch, who notified Charles Crawford, who in turn telephoned to Ukiah for the authorities. Wilson's neck was broken, his chest crushed to a pulp and one leg shattered from the hip to the ankle.

A broken jug containing the remains of some jackass brandy was found in the wreck, from which it is surmised that Wilson was drunk at the time.

He was identified by two U. S. officers here at the time as an ex-convict who had just got out of Leavenworth penitentiary after serving a term for counterfeiting.

He leaves a widow and small daughter.

Mrs. Anna Thurston was a visitor to Healdsburg several days the first of the week, going down with her daughter, Mrs. Lester Nevin, who had been here for a week-end visit.

Our Want Ads Will Sell It For You

STARR NEVIN TRANSFERRED

Starr Nevin, who has been telephone manager here for the past year or more, has been transferred by his company to the Burlingame and San Mateo district, where he is to be manager. His place here is being taken by Ted Ring of Santa Rosa.

Cecille Flower Shop

Phone 239 for your Thanksgiving flowers. We will have just what you want and at the right prices. We also have flowers for all occasions.

Come in and see our display at corner of Perkins and Main Sts.

Mrs. Ellen Hunt
Proprietor

Helen's Lunch Box

We are now making the Genuine Texas Tamales and can supply you.

To take out—3 in a bunch, 20c.

Served with crackers—Small, 10c; large, 25c.

A Lecture on Christian Science

Entitled

Christian Science: The Way to the True Kingdom

by

Charles I. Ohrenstein, C. S. B.
of Syracuse, N. Y.

Member of the Board of Lectureship of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

Under the auspices of Lakeport and Ukiah Christian Science Societies, in the Saturday Afternoon Club Rooms Sunday, November 18, 1928 at 3:00 o'clock.

The lecturer was introduced by Mrs. Helen L. Bleakmore of Lakeport, who said:

Friends:

In the eleventh chapter of Matthew we read—

2. Now when John had heard in the prison the works of Christ, he sent two of his disciples,
3. And said unto him. Art thou he that should come, or do we look for another?
4. Jesus answered and said unto them, Go and shew John again John again those things which ye do hear and see:
5. The blind receive their sight, and the lame walk, the lepers are cleansed, and deaf hear ,the dead are raised up, and the poor have the gospel preached to them.
6. And blessed is he, whosoever is not offended in me.

In the Preface to Science and Health with Key to the Scriptures, Mary Baker Eddy says—

"The physical healing of Christian Science results now as in Jesus' time, from the operation of divine Principle, before which sin, disease and death lose their reality in human consciousness and disappear as naturally and as necessarily as darkness gives place to light and sin to reformation. Now, as then, these mighty works are not supernatural, but supremely natural.

When God called the author to proclaim His Gospel to this age, there came also the charge to plant and water His vineyard.

One of the channels provided by the Mother Church to carry on this mission is the board of Lectureship. We have with us today a member of this Board who will tell you of this great Truth which is redeeming the world.

I take great pleasure in presenting, Mr. Charles I. Ohrenstein, C. S. B. of Syracuse, New York.

The word science is derived from the Latin scientia, knowledge. If Jesus the Christ new God, as he said that he did, and as all of us admit, does it not follow that his knowledge of God constituted his Science, the Christ Science, or Christian Science? And if it was necessary for Jesus to know God in order to demonstrate God's power, is it not necessary that his followers have the Christ Science, or Christian Science, in order to be able to do likewise?

WHAT IS GOD?

What has the world believed God to be? Anciently, to the seers of Old Testament times, what is now called God—besides whom, in Bible language, "there is none else"—was known as power, the only and all power, and as self-existence or Life. But these seers, distrustful of the ability of their followers to appreciate this metaphysical, this scientific fact, prohibited the use of at least one of these terms for God and taught them to call Him Lord or ruler. This, very naturally, to the laity, came to mean a humanlike God instead of the divine source, or Principle of all true power and life; so that notwithstanding the teachings of the Bible, the Hebrews of old—in spite of the fact that they were not to make unto themselves and graven image—mental or otherwise—believed in, and prayed to an anthropomorphic or humanlike God.

Jesus, who knew God as none ever kned Him, called God "Spirit," meaning Mind. A few understood him. But because he also called God "Father," meaning the one true source, or progenitor of all, the many, in time, again mistakenly thought of God as a person. And it is this personal God, a power or cause that does not in reality exist,—and for this reason cannot save, —whom Christendom has tried to trust, whom Christendom has entreated to overcome its ills; of whom Christendom has asked and had not, because it asked amiss.

MAN'S RELATIONSHIP TO GOD

It has been indicated that the Christian Science of Jesus consisted of a knowledge of God. In teaching this Science he taught the universal Fatherhood of causality of God and defined God to be Spirit, thus Mind; a teaching and definition which quite naturally mean that man, as the son of God, is the idea or reflection of Mind,—subject to God, Mind,—and that, in order to come to the estate of man—to rise to the stature of true manhood—men must be goverened by God, Spirit, Mind, by pure intelligence; that men must seek "first the Kingdom of God, and his righteousness,"—and cease from holding themselves subject to matter, non-intelligence in any form whatever. To those who accept the teachings of Jesus—to Christians—this in itself should be sufficient to establish conclusively the fact that Christian Science, which teaches Mind, God, to be the only cause and man to be the reflection, the idea of Mind, subject only to Mind, is truly founded upon the teachings of the Christ,—especially so, since, like Jesus, it demonstrates this doctrine with all manner of beneficent "signs" following its application.

GOD BOTH FATHER AND MOTHER

Recognizing the great fact that "God created man in his own image, . . . male and female created he them," and also that God is the all-compassionate, all-loving protector and provider of all; that "he maketh his sun to rise on the evil and on the good, and sendeth rain on the just and on the unjust" alike, Christian Science declares God to be not only our Father, but our Mother. It thus not only gives the world an idea of the tender relationship that exists between God and man, but also the highest concept of God that it is possible to have .

THE CHRIST

Jesus knew God. It was his knowledge of God which enabled him to do the healing and other mighty works of which his ministry consisted. Like Christian Science, he declared God to be Spirit, Mind. The only product of Mind is ideas, and, no matter what we may take a thing to be or what we may call it, everything must be an idea to us. Otherwise, we could not think any given thing to be anything whatever. Right ideas constitute Truth, and—right ideas being the product of Mind—Truth must be and is the anointed, the approved of God, "the only begotten" of the one "Father-Mother, God" (Science and Health, p. 16), Mind. Jesus said, "Ye shall know the truth, and the truth shall make you free," and so implicitly obedient to Truth was he, that in speaking of himself as the Christ, he was able to say, "I am . . . the truth," and "Before Abraham was, I am." What say we of Christ, then? What both Jesus and Christian Science teach us: He is the spiritual, the right idea of being, God's Truth, who is with us always; in "whom there is no variableness, neither shadow of turning," "the same yesterday, and to day, and for ever."

MRS. EDDY'S RELATION TO CHRISTIAN SCIENCE

Right here it may be helpful to say a word about Mrs. Eddy. The right sense of Christian Science can be gained only as we gain the right sense of Mrs. Eddy and understand her relation to this Science and its movement. Mrs. Eddy is the Discoverer and Founder of Christian Science. She never made any but this most modest claim for herself, giving God—who through the Christ, Truth, is the sole revelator, the sole author of all that is good—entire credit for its teachings. The Bible teaches that "whom the Lord loveth he chasteneth." In other words, it teaches that whom the Lord loveth He makes chaste or pure; and Jesus said that the pure in heart shall see God. God is all-encompassing intelligence or Mind. For this reason God is Love, as we have seen that He is, and as the beloved disciple declared Him to be; and surely God—who made all that was made and made all good —loves all. Only those who love God, good, are admissive of, and submissive to Him. Mrs. Eddy loved God. For this reason she was so chastened, made so pure by Him, that through the right idea of Him she was able to see Him, to discover Him, and to make God and His Christ known to all who are willing to receive Christ, Truth. More than this, she so loved God that she was willing to devote herself entirely to making Him known, so that all might "taste and see that the Lord is good;" that He is the only healing, saving, regenrating power. She demonstrated her discovery by healing all manner of diseases. She taught others to do likewise. She wrote the only textbook of Christian Ccience, "Science and Health with Key to Scriptures," and quite a number of other books in elucidation of it. She published and was the first editor of the official publication of the Christian Science organization, **The Christian Science Journal,** and gave the movement all of its periodicals, including **The Christian Science Monitor,** a clean daily newspaper which has taken its place in the front rank of the world's great newspapers. Mrs. Eddy's love for God and for mankind led her not only to found, but also to develop and forever to protect the movement which she founded by providing it with By-laws, published in a little book which she named "Manual of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts." This book provides all the By-laws for the conduct and government of every activity of this now great movement, By-laws which govern its Directors as well as its humblest members. All of this has made Mrs. Eddy the only leader of the movement which she founded, a Leader who asked to be followed only in so far as she followed Christ. (Message for 1902, p. 4.)

FUNDAMENTAL TEACHING

I trust that what has been presented will at least indicate what the study of Mrs. Eddy's teachings will make entirely plain; that, as stated on page 468 of the Christian Science text-book, "all is infinite Mind and its infinite manifestation," and that the Mind which is here referred to is God. This great fact is the fundamental teaching of Christian Ccience, and it is for this reason that the paragraph from which I have just quoted is designated by Mrs. Eddy as "the scientific statement of being" (**ibid.,** p. 468). It is on the basis of the omnipresence, omniscience, and omnipotence of Mind, God, that every good work was wrought

(Continued on page 7)

REDWOOD VALLEY

REDWOOD VALLEY, Nov. 22.—Roy Yarbrough is busy applying his fall lime-sulphur spray. He is using the tractor to draw his spraying machine this year and has his men with the nozzles on an elevated platform, from which they are able to cover the entire tree. He is able to apply the spray very rapidly and thoroughly under this new system.

The farm bureau steering committe held a meeting at the Finnish colony Sunday afternoon. Plans were made for the December meeting.

The high school scholars are enjoying a vacation of two weeks while a temporary building is being erected.

Rev. J. W. Hoyt preached a very instructive sermon at the clubhouse Sunday night. A musical trio, "Twilight," by Messrs. Hargreaves, Goudge and Zeek was greatly enjoyed.

The Rev. Elbert Holland will conduct the sermon next Sunday night at 7:30. All are cordially invited.

The Redwood valley boys who went to Eureka last Saturday as members of the Ukiah football team are loud in their praises of the Eureka team. Ukiah was greatly handicapped by sickness but lost to a better team, though the score would have been closer under normal conditions.

The local basketball team journeyed to Potter valley last Friday, where they lost to a team composed of the Potter valley high school freshmen and sophmores by a score of 14 to 6. The second team defeated the Potter valley grammar school 6 to 5.

Frank Tweedy returned last week from a two weeks' visit to Los Angeles. While having an enjoyable time on the trip he was glad to get back home as he states he prefers Redwood valley very much to Los Angeles as a place to ilve.

Lawrence Simmons is busy spraying with lime-sulphur.

Little Patsy Matthews has been quite sick for several days.

The P. T. A. will meet Monday night at the school auditorium. This meeting was postponed from last Friday on account of the death of J. R. Banks. The gents will have entire charge of the program and "eats" so you can expect something good in both lines.

At the P. T. A. meetings this year the school will furnish a portion of each program. Mr. Zeek's room will contribute their part at this meeting.

The Boy Scouts met Wednesday night. Quite a number of scouts and visitors were present and a very enjoyable time is reported.

Mr. and Mrs. Ewert Pukema are the proud owners of a new Ford sedan.

Knute Talso is employed at the Twin Sisters mine in Nevada county.

Jack Thompson, of Willits, has accepted the position as foreman of the section at Tiburon and will move his family there between now and December 1.

In the passing of J. R. Banks Redwood valley lost one of its best known citizens for practically everybody not only in Redwood valley but in Ukiah and vicinity knew John Riley.

He belonged to the fast diminishing number of the old school of sturdy pioneers. Left an orphan when a small boy he battled his way with his own hands.

Some 25 years ago he came to Redwood valley, buying the present home site which he planted to fruit and vines and cared for it so carefully that it became and has remained one of the "show places" of the valley.

Up till the time he retired a few years ago he was a hard worker and when 80 years old could set a pace many younger men could not follow.

He was a charter member of the Redwood valley grange and remained an active member until his death.

He was interested in all public improvements and was a strong advocate of good schools.

He took an active interst in politics and was a keen political observer, a staunch Republican in national and state affairs but in local affairs he picked his man. He was a well known figure on the election board for many years until advancing years and failing health forced his retirement.

All realize that at his advanced age of 84 "he had finished his course."

Yes, in the death of J. R. Banks Redwood valley loses one of her most picturesque sons.

Miss Hazel McGuffin was taken ill with the flu Wednesday. Her mother is here from Potter valley taking care of her.

SUMMONS

In the Superior Court of the State of California, in and for the County of Mendocino.

LA ROCA MONTE RANCHO, a corporation,

Plaintiff,

vs.

ROBERT WEST, KULLMAN, SALZ & CO., a corporation, S. H. FRANK & CO., a corporation and also all other persons unknown, claiming any right, title, estate, lien, or interest in the real property described in the Complaint adverse to plaintiff's ownership or any cloud upon plaintiff's title thereto,

Defendants.

The People of the State of California Send Greetings to:

ROBERT WEST, KULLMAN, SALZ & CO., a Corporation, S. H. FRANK & CO., a Corporation, and also to all other persons unknown claiming any right, title, estate, lien or interest in the real property herein described adverse to plaintiff's ownership or any clopd upon plaintiff's title thereto.

You are hereby directed to appear and answer the complaint in an action entitled as above brought against you in the Superior Court of the State of California, in and for the County of Mendocino within ten days after the service on you of this summons if served within this County and within thirty day if served elsewhere.

And you are hereby notified that unless you so appear and answer as above required the said plaintiff will seek judgment for any money or damages demanded in the complaint arising upon contract, or will apply to the Court for any other relief demanded in the complaint.

And you are hereby further notified that the purpose of this action is to secure a decree quieting the title of the plaintiff against the whole world and adjudging it to be the owner in fee simple of that certain tract of land situate in the County of Mendocino, State of California, particularly described as follows, to wit:

Lots 7 and 8 and the North half of the Southeast Quarter of Section 7, T. 11 N., R. 13 W., M. D. M.

Given under my hand and seal of the Superior Court of the State of California in and for the County of Mendocino this 26th day of October, 1928.

NOTICE OF FORECLOSURE SALE

SHERIFF'S SALE

BANK OF ITALY NATIONAL TRUST AND SAVINGS ASSOCIATION, A NATIONAL BANKING ASSOCIATION, Plaintiff,

vs.

CHARLES C. MATHEWS, ESSIE MATHEWS, THE UKIAH FARMERS CLUB, A CORPORATION, JENNIE J. MATHEWS AND J. C. JOHNSON, Defendants.

ORDER OF SALE AND DECREE OF FORECLOSURE AND SALE

Under and by virtue of an order of sale and decree of foreclosure and sale issued out of the Superior Court of the County of Mendocino, State of California, on the 15th day of November, A. D. 1928, in the above entitled action, wherein Bank of Italy National Trust and Savings Association, a National Banking Association, the above named plaintiff, obtained a judgment and decree of foreclosure and sale against Charles C. Mathews, Essie Mathews, The Ukiah Farmers Club, a Corporation, Jennie J. Mathews and J. C. Johnson, defendants, on the 2nd day of November, A. D. 1928, for the sum of Two thousand ten & 89|100 Dollars, in United States Gold Coin, besides interest, costs and counsel fees which added to the above makes a total of $2182.87, which said decree was, on the 15th day of November, A. D. 1928, recorded in Judgment Book 16 of said Court, at page 97, I am commanded to sell all that certain lot, piece or parcels of land, situate, lying and being in the County of Mendocino, State of California, and bounded and described as follows towit:

Lot 17 and Lot 18, both in Block "D" of Ukiah North Addition in the City of Ukiah, County of Mendocino, State of California, as surveyed, platted and recorded in the office of the County Recorder of the said County of Mendocino.

Together with all improvements thereon.

PUBLIC NOTICE IS HEREBY GIVEN that, on Wednesday, the 12th day of December, A. D. 1928, at 10 o'clock A. M. of that day, in front of the Court House door of the County of Mendocino, I will in obedience to said order of sale and decree of foreclosure and sale, sell the above described property, in one parcel or so much thereof as may be necessary to satisfy said judgment, with interest and costs, etc., to the highest and best bidder, for gold coin of the United States.

Dated Nov. 15th., 1928.

R. R. BYRNES, Sheriff.
By W. H. GIBSON, Under Sheriff.

NOTICE OF TIME AND PLACE OF HEARING ON PROBATE OF WILL

In the Superior Court of the State of California, in and for the County of Mendocino.

In the Matter of the Estate of J. R. BANKS, Deceased.

No. 4744

Notice is hereby given that on the 22nd day of November, 1928, Elvy E. Banks produced a document, purporting to be the last will and testament of J. R. Banks, and filed the same herein, together with his petition praying that the same be admitted to probate, and that letters testamentary be issued to said Elvy E. Banks.

Notice is further hereby given that on the filing of said petition and the production of said document the Clerk of this Court fixed the hearing of said petition for Friday, the 14th day of December, 1928, at the hour of 10 o'clock A. M., of said day, at the court room of this Court, in the Court house in Ukiah city, in said County and State, and all persons interested are hereby notified then and there to appear and show cause, if any they have, why said document should not be admitted to probate, as the last will and testament of said deceased, and letters testamentary issued to said Elvy E. Banks, the petitioner above named.

Dated this 22nd day of November, 1928.

W. H. PRATHER,
County Clerk of said County of Mendocino, and ex-officio Clerk of the Superior Court thereof.
By B. G. BROADDUS, Deputy.

LILBURN GIBSON,
Attorney for Petitioner. 9-3tc

NOTICE TO BIDDERS

Notice is hereby given that sealed bids will be received by the Board of Supervisors of the County of Mendocino, State of California, at its office in the Mendocino County Court House at Ukiah, California, until 11 o'clock A. M., December 11, 1928 for furnishing wood to the County Farm and Hospital and the County Detention Home. Said wood to be delivered to and corded at said County Farm and Hospital and said County Detention Home, located near Ukiah, California, and to be as follows:

County Farm and Hospital

100 tiers 18 inch chunk wood
70 tiers 21 inch split range wood
20 tiers 16 inch split stove wood

For County Detention Home

40 tiers 21 inch split range wood

Wood must be cut from sound standing timber and all chunk wood must not be larger than nine inches in diameter, nor smaller than three inches in diameter. All of said wood must be delivered not later than October 1, 1929, and must be of live or black oak.

The successful bidder will be required to enter into a contract with said Board of Supervisors for the faithful performance of his contract and in addition thereto he will be required to give a good and sufficient bond herein, according to law.

The Board of Supervisors reserves the right to reject any and all bids.

W. H. PRATHER, Clerk of said Board

ORDINANCE NO. 286

An Ordinance to amend Ordinance No. 248, passed and adopted by the Board of Trustees of the Town of Ukiah City, February 24th, 1920 and entitled "an ordinance to license for the purpose of revenue and regulation all and every kind of business authorized by law and transacted and carried on in the Town of Ukiah City and all shows, exhibitions, and lawful games carried on therein; to fix the rate of license tax upon the same, and to provide for the collection of the same by suit or otherwise," by imposing a license tax upon each coin or slug operated vending machine.

The City Council and|or Board of Trustees of the City of Ukiah do ordain as follows:

Section I. Section V of Ordinance No. 248, adopted by the Board of Trustees of the Town of Ukiah City on Feb. 24th, 1920, and entitled "An ordinance to license for the purpose of revenue and regulation all and every kind of business authorized by law and transacted and carried on in the Town of Ukiah City, and all shows, exhibitions, and lawful games carried on therein; to fix the rate of license tax upon the same, and to provide for the collection of the same by suit or otherwise," is hereby amended by inserting at the end thereof the words "every coin or slug operated machine used for the purpose of vending any kind of good, wares, or merchandise, where the coin or slug deposited is five cents or more in value, shall pay a license fee of $12.00 per year."

Section II. This ordinance shall take effect immediately.

The above and foregoing ordinance was introduced by Councilman Gantz at a regular meeting of the City Council and|or Board of Trustees of the City of Ukiah, held on the 30th day of October 1928, and was by said City Council and|or Board of Trustees passed and adopted at a regular meeting thereof held on the 20th day of November, 1928 by the following vote:

Ayes: Councilmen Held, Redwine, Thomas, Councilwoman Toles.
Noes: None.
Absent: Councilman Gantz.

W. D. L. HELD,
Mayor of the City of Ukiah and President of the Board of Trustees of the City of Ukiah.

Attest:

F. C. HANDY,
Clerk of the City of Ukiah, and ex-officio Clerk of said Council and|or Board. 9-2t

A daughter was born in this city Monday to Mr. and Mrs. Francis Gilmore.

A Lecture

(Continued from page 6)

by Jesus, by his apostles, and early followers. It is on this basis that all the good works of Christian Science have been and must continue to be accomplished. It is because of this that these works are Christ-ian, and not due to the suggestive, hypnotic, or mesmeric processes of any of the so-called psychological methods now so generally practiced, not only by physicians, and under the patronage of churches of other denominations, but by many whose intents and purposes are altogether unchristian, and sometimes sinister.

THE SOURCE OF EVERY GOOD EFFECT

We all know some things so well that most of us never give them a thought. For instance, all of us know that Mind is the source of every incentive, of every volition, impulsion, thought, reason, judgment, determination, decision; of every design, purpose, plan, action; of all order, law, and so on. All of us know this, I am sure. It should not be difficult, therefore, for any one to see very plainly that without Mind nothing whatever could be or occur. What, for instance, could be or occur without incentive, volition, or impulsion to bring it into being? What could be without reason for its existence; without the necessary thought or judgment or decision to fashion it; without determination, design, purpose, or plan in its creation? It must be evident that nothing whatever could be or occur without any one—yes, without every one—of these essentials, all of which must inhere in, emanate from, and be protected by Mind. Yet there are those who say in their hearts that Mind is not primary; that there are things that are not possible to Mind, and that the righting, the healing, protecting, and providing for the things that Mind alone could have made, are not possible to Mind without the aid of unintelligent matter.

Christian Science takes the opposite ground, and in teaching us to know that " all is infinite Mind and its infinate manifestation," it teaches us to rely on Mind, God. It teaches us to surrender to Mind's, God's, fashioning every thought, feeling, action, and thus to give "to God the things that are God's," and to surrender as false the things that are false in the sight of God,—the suggestions of inability, sickness, sin, and their consequent want, and misery of every kind. It is in this way that Christian Science teaches us to give to God "the Kingdom, and the power, and the glory" that are due Him, and to do it now, by making Him our whole, sole, and unqualified reliance.

THE POWER OF CHRISTIAN SCIENCE TO HEAL AND TO SAVE

Like Jesus, Christian Science has "not come to destroy, but to fulfill" the law of God and of His Christ, and thus to fulfill every right, every just law. The right application of the law of God leads to its fulfillment. The law of God is that man, the reflection of God, must be obedient to God, to all that is good; for only in this way can he show forth his pure, perfect, harmonious well-being, and be able to fulfill all right demands upon him. We have seen that God is Mind, and that Gob is Love. Mind always expresses its law and its power through its idea, through Truth. Christian Science is the idea of God, of Mind and of Love. For this reason it is the law or enforcement of the power of God; and the right application of it accomplishes the works of God,—heals all diseases and saves to the uttermost.

The reflection of any of you here in a mirror must be obedient to you; or it could not be your reflection. Just so the reflection of God, man,—which means every one of us,—must be obedient to God, to good, in order to be man. Obedience to God, then,—that is, obedience to all that is right, and good, and beautiful, and pure,—constitutes the true man, and no one can be, nor is, man without this obedience. It is of every true man, then, that the Psalmist sang, "Thou shalt not be afraid for the terror by night; nor for the arrow that flieth by day; nor for the pestilence that walketh in darkness; nor for the destruction that wasteth at noonday. A thousand shall fall at thy side, and ten thousand at thy right hand; but it shall not come night thee. . . . Because thou hast made the Lord, which is my refuge, even the most High, thy habitation; there shall no evil befall thee, neither shall any plague come nigh thy dwelling. For he shall give his angels charge over thee, to keep thee in all thy ways."

From this it will be seen that man, as Christian Science declares him to be, is truly under the constant guidance, protection, government, providence, of God; that he cannot be, nor become, impaired or sick, and that he cannot lack any needful thing. It is by the true teaching as to what we really are, that Christian Science encourages and spurs us on to reclaim and to regain ourselves. It not only promises; it fulfills. Listening to it and obeying its demands, we mount higher, become more able, and more free; and through complete obedience to its teachings can that complete freedom for which we long, the kingdom of God on earth, be gained.

POTTER VALLEY

POTTER VALLEY, Nov. 22.—On Wednesday afternoon, in the church parlors, the ladies of the Sunday school and the Ladies' Aid gave a tea for Mrs. Geo. Gibson, who on December 7, expects to sail for Honolulu. At that time Mrs. Gibson was presented with a lovely padded silk lounging robe, the gift of the Sunday school. For many years Mrs. Gibson has been an efficient and faithful worker among the young people and her place will be hard to fill. The best wishes of the valley go with Mrs. Gibson on her journey.

Mr. and Mrs. J. W. Gross drove over from Sacramento last Saturday.

Mrs. F. H. Jerauld was a Tuesday shopper to Ukiah.

Mrs. Louis Hansen and Mrs. Mac Christofferson also drove to Ukiah last Tuesday.

Maurice Walker returned last week from Santa Rosa, where he has been under medical care.

Mr. and Mrs. James Kaler and family expect to leave next week for Los Angeles, where they will reside in the future. Mr. and Mrs. Kaler have lived here a number of years where they have made many friends.

Albert Sides and George Gibson made a business trip to Willits last Wednesday.

Saturday shoppers to Ukiah included Mrs. J. J. Thornton, Bonniebel Thornton, Mrs. Geo. Gibson, Mr. and Mrs. P. B. Westerman, Mrs. L. R. Williams, Miss Martha Montgomery, Mrs. Taylor Eddie, Don Eddie, Marjorie Hardisty, Mr. and Mrs. James Eddie, Mrs. Clyde Eddie, Mrs. Kinman and Mr. and Mrs. Robert Brush.

Last Friday night the Ukiah and Potter valley granges entertained the Redwood valley grange in Ukiah. Potter valley men repeated their program of two weeks ago. After the program the visitors adjourned to the banquet hall where a bounteous supper was served. Potter members who drove down included Mr. and Mrs. James Eddie, Mr. and Mrs. Clyde Eddie, Mr. and Mrs. Louis Hansen, Mr. and Mrs. Frank Gibson, Mr. and Mrs. Henry Dickey, Mr. and Mrs. P. B. Westerman, Mr. and Mrs. J. G. Newman, Mrs. Frank Lowe, Mrs. Lloyd Hughes, Mrs. Fannie Dashiell, Mrs. Sarah Hughes, Misses Martha Montgomery, Francis Lawrence, Dora Spencer, Bonita Hughes, Helen Brush, Evangeline Hopper, Verna Gibson, Delight Corbett and Messrs. Gus Busch, Kenneth Busch, Walter Hughes, Albert Hughes, Forrest Hughes, James Shelton, Howard McGuffin, Mr. and Mrs. Robert Brush, Mr. and Mrs. Harry Hopper and Mr. and Mrs. John McGuffin.

David Frost, of Willits, was the house guest this week of Mr. and Mrs. Orville Frost.

The regular monthly meeting of the Potter valley Progress club was held in the church parlors last Saturday afternoon.

Saturday evening a most delightful surprise party was held at the home of Mr. and Mrs. Wiley Brooks in honor of Mr. Henry Carter. Dancing was the chief amusement until midnight when a delicious supper was served. Music for the dancers was furnished by George Raymond, Lee Knighten, Mr. Waite and Mrs. Alton Knighten. Those who enjoyed Mr. and Mrs. Brooks's hospitality were Ray Garfield, Frances Lawrence, the Misses Henrietta and Josephine Carter, Mr. Scott, Joe Duncan, Mr. and Mrs. Gene Hunter, Mr. and Mrs. Henry Winsby, Miss June Winsby, Jim Shrum, Joe Raymond, Hazel, William and Mary Carter, Mr. and Mrs. Henry Carter, Mr. and Mrs. Lee Knighten, Mr. and Mrs. Alton Knighten, Mr. and Mrs. Kelly Baker, George Raymond, Dora Spencer, Bonnie Baker, Junior Baker, Byron Brooks, Leland Brooks, Mr. and Mrs. Batrell, Miss Ora Batrell, Joe Brooks, C. B. Neil, and Mr. and Mrs. Cecil Zortman.

Mr. and Mrs. R. R. Ingels, Mrs. Taylor Eddie, Don Eddie and John Newman expect to attend the big game in Berkeley on Saturday.

OBITUARY

C. A. Carner of this valley received word of the death of Mrs. Amanda Elliott Rapp, a former school teacher of Potter valley. Death occurred at her home in Nevada City after a few days' illness, on November 8. Mrs. Rapp had been in San Juan Bautista near San Jose, and while on her way home contracted a sevre cold which resulted in her death.

Mrs. Rapp was born in Oregon and was 77 years old the 4th of last March. She was a woman of education and more than 50 years ago taught school in this valley. Only last spring she attended a big gathering and reunion of former residents of this section, where she had the pleasure of meeting men and women, who in their days were her pupils.

About 42 years ago she moved to Nevada City and married the late Capt. John A. Rapp, who preceded her to the grave a number of the years ago. Of this union there was born one son, George Rapp, who now resides in Susanville, Lassen county. There also survives an adopted daughter, Mrs. Edith Solari, and two brothers, William Elliott of Medford, Oregon, and William Elliott, a resident of Stockton.

Mrs. Rapp was a sincere Christian woman and a devout member of the Methodist church. She was one who was always ready to aid those in distress. Her last visit from her home was to take care of a friend who was ill.

The deceased was laid to rest the Sunday following her death by the side of her husband in Nevada City.

Former Potter people who attended school when Mrs. Rapp taught here include Bud Neil, Hulett Logan, George Busch, Ave Ross, George Griffitts, Chas. Busch, Owen Busch, Chas. Christopher, Mrs. Bud Neil, Mrs. Emma Bloyd, Mrs. Melvilla Gould, Chas. Carner, Jake Dashiell, Mrs. Ella Day, Mrs. Jennie Jamison, Mart Baker, Thos. Young and Mrs. Addie Grover.

Mrs. Rapp also taught in Willits, where P. B. Westerman was one of her pupils.

New Cases Filed In Office of Co. Clerk

Civil and Probate Matters Commenced, Inventories, Etc.

Through Lewis D. Mooney, Milton Devilbiss has filed a complaint in foreclosure against Charles A. Craig and wife, seeking to recover $800 alleged to be due on a note. The plaintiff also seeks interest, costs and attorney fees.

A complaint in condemnation has been transferred to this county from Humboldt county. The plaintiff is the County of Humboldt, which seeks to condemn certain lands owned by the Reynier Lumber Co. and William Strath, which are desired by the county for a public park.

Through J. A. Mueller, Achille Mossi and others have filed a suit against John Lehners seeking to recover $1200 alleged to be due on a promissory note. The plaintiffs also seek interest, costs and attorney fees.

Through W. D. L. Held, Laurence Pittman has filed a petition to establish the death of Henry McCready and of Mary L. McCready and to terminate the life estate of each in certain real property in Ukiah.

Through W. D. L. Held, Jamison Bros. have filed a complaint against Wesley M. Ford and others seeking to recover $1186.33 alleged to be due on a promissory note. The complaint alleges no part of either principal or interest have been paid.

The third account and report of the guardian of Jessie L. Silveria, a minor has been filed, showing $329.04 received and $11.53 expended, leaving a cash balance of $318.51 in the hands of the guardian.

First National Bank of Ukiah has filed a complaint in foreclosure against Mrs. L. J. Stoddard and W. R. Adams. The plaintiffs seek to recover $700, also interest, costs and attorney fees.

Through Lilburn Gibson, Elvy Banks has filed a petition for admission to probate of the will of the late J. R. Banks. The estate consists of personal property valued at $7,601.72.

Inventory has been filed in the Adam Frati estate showing personal property valued at $1218.27. A petition has been filed asking that the entire estate be set aside to the widow.

Dedication Ceremony Held by N. S. G. W.

The first unit of the new courthouse was formally dedicated last Sunday afternoon under the auspices of Ukiah Farlor, N. S. G. W. Unfortunately the weather was a little too cool for comfort and this kept a large number of our people at home.

District Attorney Lilburn Gibson acted as chairman, and introduced the various speakers. The Willits high school band and the choral section of the Saturday Afternoon Club gave several musical numbers and H. T. Harvey sang "I Love You California."

N. P. Howe, chairman of the board of supervisors, made an interesting talk in which he outlined the history of the project.

G. M. Biggar, Covelo merchant, explained the manner in which it was financed and said that the Round valley people were all now back of the project.

Attorney Leonard Stone, of Fort Bragg, gave the viewpoint of the coast section and he, also, said they were back of the plan.

Both he and Biggar took advantage of the occasion to dwell at some length upon the road needs of their districts.

Grand President James A. Wilson Past Grand President Chas. A. Thompson also made splendid talks on general subjects.

A handsome bronze tablet, appropriately inscribed, was presented by the Native Sons and imbedded at the School street entrance of the building.

UKIAH METHODIST CHURCH
C. A. REXROAD, Pastor.

Sunday morning the pastor will preach on, "Apples of Gold." At night the young people of the church will have charge of the program. The general theme will be: "What Can Young People Do for Christ in the Church?" Young people will do all of the following things: Five young people will make from three to five-minute speeches. Two young ladies and two young gentlemen will usher the crowd. One young person will preside. Two will offer prayers. One will read scripture. One will play the organ, and about twenty will furnish the choir. One will read the announcements. The pastor will close with a ten-minutes talk on Young People and their Opportunities for Christian Service.

ATTORNEY SANFORD HERE

Attorney Henry G. Sanford, son of the late Ex-Senator J. B. Sanford, was a visitor in Ukiah over night Monday, leaving again for the city on Tuesday's morning train. He is attorney for the State Compensation Insurance department, and was here on business in connection with a case for the department. Henry is a Ukiah boy and is doing well in his profession, news which will be received with pleasure by the many friends of the family in Mendocino county.

C. E. Shackelford was reported ill this week and has been confined to his home.

Make your headquarters at the new Hotel Roosevelt when in San Francisco. A family hotel.

Special Program at State Thanksgiving

An especially fine combined vaudeville and picture program is billed for the State theatre next Thursday evening—Thanksgiving day.

The picture is "A Certain Young Man," with Ramon Novarro in the leading role. As vaudeville numbers Hayes Bros., Le Siva Duo, Jimmie Base and La Boheme Trio present an excellently varied program.

Hayes Bros., just two redheads, are two boys dressed eccentrically and introducing a repertoire of burlesque dance bits. Their act is quite original and has many laughs.

Le Siva Duo is a prettily dressed offering of song, dance and cartooning with some snappy music interpolated. Spanish and Russian dance bits, some string instrumentations of popular hits and a little comedy cartooning form a melange at once light and entertaining.

Jimmie Base, in "Songs and Stories," is a versatile entertainer who has gone over big wherever he has appeared. He is bringing a new line of chatter and clever jokes, with a number of songs, funny and otherwise.

La Boheme Trio are three standard artists with a repertoire of comedy and folk songs of Italy, with some American numbers interspersed, with piano accordeon accompaniment and solo. This is a pleasing offering of big time calibre.

Rancher Murdered

(Continued from page 1)

Deputy Coroner Anker of Willits held an inquest Wednesday.

The matter will be placed before the grand jury at its coming session and in the meantime Patton is being held in the county jail.

Tracy was 70 years of age and had lived in the Laytonville and Twin Rock section for 50 years, excepting for a few years spent in Santa Rosa. He leaves seven children and a widow, his second wife, whom he married several years ago.

He was an uncle of vice-president Arthur Tracy of the Savings Bank, of Ukiah.

Patton stated to the officers that when he came back with the gun Tracy rested his 22 rifle across the picket fence and told him to stand back and called him a vile name and that then he shot Tracy.

Mrs. Powell's story contradicts this. She says that Tracy made no motion with his rifle and did not call Patton any name.

After the death of her first husband Mrs. Powell married Patton. They lived together several years and then were divorced. Lately they had become reconciled and Patton was living at the Powell place, according to the officers. He is 67 years old.

The shooting brings to memory the killing of Tracy's son, Clarence, by Mrs. Powell's daughter and the latter's husband, Millard Means, some twelve years ago. They were tried for the crime and acquitted. On the witness stand Mrs. Means stated that she shot Tracy believing that he was about to assault her husband. Their trouble arose over the fact that Means's hogs were running on Tracy's range and rooting up his feed. After the killing of Clarence Tracy Means began to pay attention to another woman and shortly afterward Mrs. Means disappeared and has never been heard of since. Means afterward was tried here for passing fictitious checks and forgery and sent to San Quentin.

Two of the Powell boys were sent to states prison on charges of hog stealing about the same time.

Leonard Stone and A. E. Johnston, prominent citizens of Fort Bragg, were Ukiah visitors last Sunday.
